1. Introduction

Thank you for purchasing our Active Noise Cancelling Bluetooth headphone: E7. This device can be easily connected with Smartphone, tablet PC and other devices via Bluetooth during your traveling and daily usage. It will bring you an easy lifestyle.

2. Battery Precautions ---

The device can be powered by a built-in rechargeable lithium battery. Please charge the battery for at least 8 hours before your first use of device.

- If the device is not used for a long period of time, the battery may be out of power. Please charge the battery.
- Rechargeable batteries are only to be charged under adult supervision.
- Use only the supplied micro USB cable to recharge the battery. Improper charging may damage the battery and the device.
- Do not attempt to open the rechargeable battery or battery pack. There are no serviceable parts inside.
- Should a battery leak, the device may become damaged. Clean the battery compartment immediately, avoid touching your skin.
- Keep the battery out of reach of children. If swallowed, consult a physician immediately.
- Avoid storing the battery in extremely hot or cold environment. A device with a hot or cold battery may not work temporarily, even when the battery is fully charged.
- Do not dispose batteries in a fire as they may explode. Batteries may also explode if damaged. Please dispose them according to local regulation. Do not dispose them as household waste.

3. Getting Started
